MAYSVILLE, KY., MONDAY, NOVEMBER 27, 1905.

ONE COPY—ONE CENT.

The LEDGER delights in obliging its friends. It prints "Help Wanted," "Situations Wanted," "Lost" and "Found" notices free of charge; and as it costs you nothing for such service, don't you think it is as little as you can do to write the copy and either bring or send it to the office?

If you have an item of news, please call on The Ledger, Telephone 23, and let us have it.

See Halilue's Wallpaper.

Some folks think that Gordon Sulser is dreaming. Attend the Elks Minstrels Tuesday night and in that brand new song, composed by Frank Fogarty especially for the occasion, he will tell you "I Am Dreaming of You."

The latest information in regard to the condition of Miss Nancy Bland, who is a patient in St. Joseph's Hospital, Lexington, is that she is doing as nicely as could be expected, considering the gravity of the disease, appendicitis.

Judge Cochran made an order in the United States Court, Covington, to wind up the affairs of the Winston Lumber and Manufacturing Company of Morehead, Rowan county, as involuntary bankrupts. Some Maysville folk are among the creditors.

Mrs. L. W. Galbraith, who has been a patient sufferer for many months, is dangerously ill at the home of Mr. and Mrs. W. H. Yancy near Bernard. Her life is hanging by a thread and there is scarcely a hope entertained by her friends for her recovery.

Why send away from home for goods when we will furnish goods of same quality for prices charged by these catalogue houses, and in many instances for less money? Bring your catalogues and compare our prices.

P. J. MURPHY, the Jeweler.

The bookings for the Washington Theater for December are as follows: 2d—Wall's Band, the musical sensation of the country; 4th, 5th and 6th—Howard-Dorset Co.; 9th—The musical comedy, "The Rajah of Bhong"; 13th—Edward N. Saturday night there was a rumper and row in Market street, opposite the Fountain, in which two colored women, Mary Watson and Nancy Lee, were more or less injured. Lawson Gray hit the Watson woman with a rock, and Mary, in her eagerness in returning the compliment, missed her aim and struck the Lee woman. In the height of the fun Officer John P. Wallace took a hand and yanked the two Amazon off to jail. The man escaped. Both women were bleeding profusely and had the appearance of having been in a slaughter pen. They will be tried before Judge John L. Whitaker in the Police Court today.

Andrew January will tell the folks about "Nobody" at the Elks Minstrels Tuesday night.

What do you think that Doc Dodson will advise the people who attend the Elks Minstrels Tuesday night?

"The Man in the Moon Was Wise," and he will certainly be well taken care of Tuesday by a sextette. This is a quiet tip.

There will be services at the Second M. E. Church, South, each afternoon at 2 o'clock, Rev. Chosnut will speak. All are welcome.

Leon Squires has been looking for "Morning Glories," and will tell you where he found them if you hear him at the Elks Minstrels Tuesday night.

The collections yesterday by the Sunday-school and the congregation of the Christian Church for Home Missions amounted to nearly \$100. The Rev. George B. Ranshaw of Cincinnati, Field Secretary of the Home Missionary Society, occupied the pulpit, both morning and evening, and preached two excellent sermons.

Joseph Helser Post No. 13, G. A. R., has decided to dismount Old Zollicoffer and give it a position near the Soldiers' Monument in the Cemetery. This historic old cannon will be placed upon a pedestal and in the future will serve the purpose of adornment instead of an instrument of death and desolation. A Committee was out yesterday selecting a site on the lot on which it will be placed.

A meeting of the Farmers' Union and others in sympathy with the object of the Association—the non-growing of tobacco during the year 1906—was held in the Courthouse Saturday afternoon. There was little done other than talking the matter over and laying out a program for the next ten days' work. A delegation of Fleming county farmers was present and spoke hopefully of what might be accomplished in their section of the tobacco growing belt. Arrangements were perfected for promoting the plan and furthering the work in that county at next County Court Day in Flemingsburg. After an interchange of ideas and going over what had been accomplished so far the meeting was adjourned to meet at the same place next Monday, County Court Day.

MRS. ELIZABETH BISHOP.

Mrs. Elizabeth Bishop, mother of Mr. George H. Bishop of this city, died Saturday after an illness of several weeks at the home of her daughter in Dayton, O., at the age of nearly eighty-three.

Mrs. Bishop was born and lived most of her life near Germantown, her family being among the early settlers of that place.

She was married in 1848 to James Bishop and reared a family of two sons and five daughters, the circle remaining unbroken until February last, when the aged husband and father was called, being soon followed by the eldest daughter, and now the mother, making three in nine months of a family which death had not entered for a period of over fifty-six years.

Mrs. Bishop was a consistent Christian, being at the time of her death probably the oldest member of the M. E. Church at Germantown which burned last week.

Her remains will be brought to Germantown today and interred in the Cemetery at that place.

COMING NUPTIALS

Two Well Known Young People Will Wed Wednesday

The marriage of Mr. William Allen Wood and Miss Maude LaBelle Walsh will occur on Wednesday afternoon next at 3 o'clock at the home of the bride's parents in East Second street, with ceremony by the Rev. George W. Buntout of the Third Street M. E. Church.

The bride is a daughter of Mr. and Mrs. John Walsh, and is one of Maysville's most beautiful young women, possessing also those attributes so well calculated to make home happy.

The groom is a well known business man, who is to be congratulated on having won such a worthy bride.

After the wedding Mr. and Mrs. Wood will leave for a short trip, and returning will be at home in a cozy house in Forest avenue, already furnished for occupancy.

In advance THE LEDGER extends the heartiest of good wishes for the happy pair.

Good advice to women: If you want a beautiful complexion, clear skin, bright eyes, red lips, good health, take Hollister's Rocky Mountain Tea. There is nothing like it. 35 cents, Tea or Tablets. J. Jas. Wood & Son.

The Elks Minstrels, under the direction of Mr. Frank Fogarty, have reached a climax in which the boys think that they have the best amateur show ever put on in Maysville and they ask all of their friends and the people of Maysville to turn out next Tuesday, November 28th, and be convinced. On account of the heavy expense incurred they have been compelled to put the price at Parquette \$1, Dross Circle 75c, Balcony 50c, Gallery 25c, but they will guarantee the production equal to the very best produced in Minstrelsy. Seats on sale at Ray's Monday morning at 7 o'clock.

HIGH TESTIMONIALS AS TO WEIL'S BAND.

Press accounts lead us to conclude that we are to hear something rarely fine upon the forthcoming appearance of Weil's Band. "Rarely has anything approaching it been heard here," is what The Commercial of Danville, Ill., says about it. The Jacksonville Journal said: "Weil's Band gave a musical feast such as has seldom, if ever, been heard here before." We may expect an extraordinary affair when the organization is heard here on Saturday, December 2d.

For Discriminate Buyers

Improved Tailoring Methods have worked a revolution in the making of Suits for Women. Time was, when a woman had to have her suit made to insure a proper fit. Nowadays a woman can literally walk into a ready-made suit that fits like it was made to measure, or if alterations are needed we make them without extra charge and guarantee a fit. And our suits are so faultlessly tailored, so irrepachable in style, cut and finish, the most fastidious woman may wear them with the sense of being well dressed. Economical too. We make special efforts along popular priced lines.

At \$12¹—Tweed and mixtures in brown, blue, black, long tight fitting coats nicely tailored, neatly finished skirts.

At \$15²—Tweed and cheviot, double and single breasted coats, plaited skirts.

At \$17.50³—Tweed, cheviot, Panama, three-quarter length coats, gored plaited skirts.

At \$22⁴—Cheviot, tweed, broadcloth, in six styles, coats with vest, tight fitting, braided trimmed. Unlined gored skirts, each gore finished with inverted plaits.

At \$25⁵—Broadcloth and English cheviot, black, brown, green, gray, navy, prune, and as broad an assortment in designs as in colors.

At \$30⁶—Broadcloth with long coats, lined throughout with Skinner's satin—the lining that wears well.

Good Morning

The cyclone rush of Saturday did not do much harm, except that it carried off a great many goods.

At 8 o'clock Monday morning we were ready for just such another rush. Every size filled in; every box replaced in staple goods. How many stores in a town the size of Maysville could do this? We bought heavy because we knew the goods were going up and would be scarce. Were we right? Just ask our friend Fogarty of the Elks Minstrels.

CHICAGO is being hard hit because of her chronic labor troubles. A number of large manufacturers, employing several thousand men, are moving out of the city.

THE big headlines in the big dailies in the big cities of this big country, "Turkey Defies the Great Powers," had no reference to the Thanksgiving bird. The Powers of Europe demanded international control of affairs in Macedonia, and the Sultan and his Ministers rejected the demand. The whole trouble is primarily traceable to American Missionaries in Macedonia, who have kept up agitation to secure reforms which will stop massacres and permit freedom of religion.

SOME weeks ago a gang of Uncle Sam's Naval Cadets at Annapolis undertook the high-toned job of "hazing" a new-comer. The "victim" was a worthy lad named MERIWETHER, and a part of the brutal program was to force the victim into a prize fight—which the hazers called a boxing-match—with a burley Cadet named BRANCH. It was great fun to the prospective Rear Admirals until MERIWETHER literally "knocked hell" out of his antagonist; and then the Coroner was called in, and now a courtmartial of bejeweled officers is trying MERIWETHER for killing BRANCH. Instead of censure MERIWETHER deserves to be rewarded for his act, and the fate of BRANCH ought to be the fate of every brutal "hazer."

HAVING discovered a Tammany Leader who drew \$50,000 in \$1 bills from a Bank the day before the New York election, it still remains for Mr. HEARST to find the 50,000 cheap patriots whose votes were bought with this money.

THOMAS H. MITCHELL, a Chicago bricklayer who gets \$5 a day, is a sensible man. He is reported to have fallen heir to \$9,500,000, his portion of an estate of \$47,500,000 left by two grand uncles in Australia; but he wants to take a look at the cash before he lays down the trowel.

THOMAS JEFFERSON, the man who wrote the immortal Declaration of Independence, and who was the Father of the real Democratic party, prescribed but three qualifications for an American office-holder—

"Is he honest?"

"Is he capable?"

"Is he faithful to the Constitution?"

Now-a-days, however, the requirements are changed—

"How much does he weigh stripped naked?"

"What is the circumference of the calf of his leg?"

"How far can he hop on one foot?"

Oh, my! But this Silly Service business is such an improvement on "Jeffersonian simplicity."

AND HE WAS RIGHT.

The hostess had been trying in vain to coax a young lady to sing.

"What do you think of a girl who can sing and won't?" she asked a bachelor guest.

Taxing Personal Property

LOUISVILLE EVENING POST.

The Special Legislative Committee is getting resolutely to work, and before the Legislature meets ought to be ready to suggest amendments which will more fairly than now distribute the burdens of taxes.

Kentucky has had much experience with experiments and much litigation to determine the meaning of our tax laws.

We should benefit by this experience. The people are willing to submit to a reasonable rate of taxation provided the system be just, but justice here, as elsewhere, is most difficult of attainment.

It is the belief of one school of economists that a bad system is better than a change. The theory is that after a time taxation adjusts itself to the shoulders of those who can best carry it; that taxes imposed at one point distribute themselves by means of commerce through all society. Taxes imposed on land are paid by the occupiers of land. They recoup themselves by taxing other classes through the price of the products or through the price for merchandise there sold.

There is some reason in this; enough to warn us to make only a few changes unless we are sure that they are a decided improvement upon existing laws.

The stumbling block in all modern systems is personal property.

As a matter of abstract justice personal property ought to pay its taxes in proportion to benefits; the difficulty lies in holding on to personal property and making it contribute.

Another trouble comes in a confusion of ideas as to what is property. In American communities we confuse evidence of debt with "property."

One man has a surplus of cash which he is willing to lend to a neighbor. The taxgatherer comes along one year and finds that John Doe has a thousand dollars in bank, and he puts it on the tax list.

During the year Roe borrows the money and builds a barn.

The next year Roe's farm and farm house show an increase in value and he pays the tax on the money Doe had the year before, but which he now has.

The tax collector goes to Doe and asks him where the money is he listed last year. "Roe

and there would be little or no need for back tax collectors.

In recent years as the forms of property have multiplied, the subject of taxation has become more difficult. But in all changes we should seek to avoid double taxation on any kind of property.

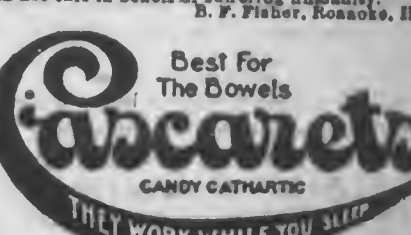

Mr. John T. Parker sold two horses Saturday to a Mr. Brice of North Carolina at fancy prices. Mr. Parker bought from Scott Osborne on the same day a high class horse at a good price.

CONSTIPATION

"For over nine years I suffered with chronic constipation and during this time I had to take an injection of warm water once every 24 hours before I could have an action on my bowels. Happily I tried Cascarets, and today I am a well man. During the nine years before I used Cascarets I suffered untold misery with internal piles. Thanks to you I am free from all that this morning. TAKE IT ALL BACK!

Here's a "Game Law" That Hasn't
Been Put in Statutes

It now appears that the latest "Game Laws"
are not to be found in the Kentucky Statutes,
where all good laws should go.

Since publishing what was thought to be the
latest legislation affecting the sale of quail,
THE LEDGER has been directed to Chapter 107,
page 262, Acts of 1904, approved March 24th,
1904, which provides, among other things—

"That it shall be unlawful in the state of
Kentucky, at any time, to buy, sell, expose for
sale, offer for sale, or have in possession for
the purpose of bartering or selling, any wild
turkeys, pheasants, grouse, partridge or quail
which have been killed within this state."

That do settle it!

today on the L. and N., Train No. 15 leaves

Everybody invited to help in these meetings.

KILLED IN AUTO ACCIDENT

Mrs. Burton Harrison, Who Has Rela-
tives in This City

Mrs. Francis Burton Harrison, wife of former
Congressman Francis Burton Harrison of New
York, was instantly killed Saturday in an auto-
mobile accident in Long Island City.

The car was decending a hill when the steer-
ing gear failed to act, and the machine and its
occupants were thrown into a ditch, the car
upsetting and falling on Mrs. Harrison, break-
ing her neck.

Mr. and Mrs. Laurence I. Scott of San Fran-
cisco, who were riding with Mrs. Harrison, were
injured—a broken rib for the former and severe
bruises for Mrs. Scott.

Charles T. Crocker, brother of Mrs. Harrison,
and the chauffeur were slightly hurt.

Mrs. Harrison was Miss Mary Crocker, daugh-
ter of the late Charles F. Crocker of San Fran-
cisco. She was one of three children who di-
vided the fortune of between \$12,000,000 and
\$15,000,000 left by her father. Her husband,
Francis Burton Harrison, is the son of Mrs.
Burton N. Harrison, the novelist, and Hon. Bur-
ton N. Harrison, who was Secretary to Presi-
dent Jefferson Davis of the Southern Confed-
eracy during the Civil War.

Mrs. Harrison was, by marriage, a niece of
Mrs. George W. Sulzer of this city, her father-
in-law, the late Hon. Burton N. Harrison, being
a brother of Mrs. Sulzer.

Postmaster D. Grant Wilson of Orangeburg
is under bond to appear before United States
Commissioner Menzies at Covington next Fri-
day, to answer charges of violating the Postal
Laws, preferred by Inspector Spears. Mr.
Wilson denies the charges.

Rev. J. L. Sturgill, Pastor of the Forest Ave-
nue M. E. Church, is holding a protracted meet-
ing at Stewart's Chapel. There were twelve
conversions at the morning services yesterday.
Much interest is manifested and large congre-
gations attend each service.

Deafness Cannot be Cured

by local applications, as they cannot reach the dis-
eased portion of the ear. There is only one way to
cure deafness and that is by constitutional reme-
dies. Deafness is caused by an inflamed condi-
tion of the mucous lining of the Eustachian tube.
When this tube is inflamed you have a rumbling
sound or imperfect hearing, and when it is entirely
closed, deafness is the result, and unless the in-
flammation can be taken out and this tube re-
stored to its normal condition, hearing will be
destroyed forever; nine cases out of ten are caused
by Catarrh, which is nothing but an inflamed
condition of the mucous surfaces.

We will give One Hundred Dollars for any case
of deafness (caused by catarrh) that cannot be
cured by Hall's Catarrh Cure. Send for circulars
free. F. J. CHENEY & CO., Toledo, O.

DONE FOR GOOD.

No Reason For Any Maysville Sufferer
To Fear The Return Of It.

How often the pain returns to the aching
back when you think you are well rid of it. No
fear of such a return after using Doan's Kid-
ney Pills. They make bad backs well and weak
backs strong and keep them so. The testimony
of Maysville people proves this claim a fact.
You can readily ratify such fact by the follow-
ing:

John Wallingford, living at the corner of
Commerce and East Second streets, Maysville,
Ky., says:

"I first procured Doan's Kidney Pills in 1899
at J. Jas. Wood & Son's Drugstore, and they
stopped an attack of backache, one of many
which had annoyed me for some time. My wife
at that time gave for publication in our local
papers a statement telling of the great benefit
I had derived from Doan's Kidney Pills, and
now, some five years later, I can say that the
cure then effected has been complete and per-
manent. My back and kidneys have never given
me the least cause for complaint. Mrs.
Wallingford also appreciates the value of Doan's
Kidney Pills from personal experience with
them. She suffered most acutely with back-
ache, especially at night, and Doan's Kidney
Pills promptly and thoroughly cured her."

Poplar Plains Girl Writes Postmaster
About Her Sweetheart

A dispatch from Omaha, Neb., says Miss Ruth
Darnell of Poplar Plains has written Postmaster
Palmer of that city, requesting him to send her
information about a young man giving the
name of Alvard V. Demoss, to whom she says
she is engaged to be married.

The engagement was brought about, Miss
Darnell says, through a matrimonial agency
advertisement.

The young lady is anxious to be advised by
the Postmaster of the habits, income, personal
appearance, prospects and moral character of
her affianced husband.

As no such name as that of Alvard V. De-
moss appears in the Omaha directory, or has
appeared in it of late years, the Postmaster is
unable to send Miss Darnell the information
she asks for.

SPRINGDALE.

Rev. Barnes will preach a Thanksgiving sermon at Bethany next Thursday, the 30th, at 11 o'clock. Rev. Degman will assist in the singing. Let everybody come, as a pleasant time is expected.

We earnestly request every member of this Church and Sunday-school to be present the first Sunday in December, as we could not observe the 24th, the day set for "Boys and Girls Rally Day." We can surely take our offering, as this is the only way to get this Church on the honor roll. Can we all take five cents? If you cannot come, send it by some one, but be sure to see that an amount is given.

Mrs. Katie Boone, colored, formerly of Washington, died at her home in Delavan, Ill., Saturday. The body will be brought here and buried in Washington Cemetery.

Mr. and Mrs. Harry C. Albert of Atlantic City arrived Friday on a visit to the family of Mr. George L. Cox of East Third street. Mrs. Albert was formerly Miss Robinson of Scranton, Pa., and will be remembered as a delightful visitor here two years ago, the guest of Miss Katharine Clay Cox.

Mr. H. Duke Watson has been quite ill for several days.

Mr. John Brown is very ill at his home in East Third street.

Pickett Chunn, he of the sweet tenor, will sing to you about "Two Little Girls" Tuesday night.

Yesterday was a bright, beautiful fall day and many took advantage of the sunshine by visiting the Cemetery and paying respects to their dead.

It is stated on authentic information that Joe Blackburn has 39 pledged votes in the Kentucky House of Representatives and 12 votes in the Senate; it takes 53 to elect. So you see Joseph is short only two votes of an election. When the Paymaster forces disintegrate it is not likely that the Administration Machine can swing the entire number to the Haldeman side.

Are you lacking in strength and vigor? Are you weak? Are you in pain? Do you feel all run down? The blessing of health and strength comes to all who use Hottel's Rocky Mountain Tea. 35 cents. J. J. Wood & Son.

THE OLD WAY AND THE NEW.

Some Important Facts Which May Prove Helpful.

Thirty years ago old-fashioned cod liver oil had to be forced down a patient's throat. Invalids couldn't take it, and children wouldn't. But the doctors prescribed it and it had to be taken by force. Yet when enough could be taken into the system it was beneficial, for it has ever been the greatest of all tissue builders and general reconstructors known to medicine.

We are now anxious to have every one know that Vinol is a new form of this very old and valuable remedy, cod liver oil. It contains, in a concentrated form, all the medicinal elements of cod liver oil, actually taken from fresh cod's livers, but by a new process it is made without oil or grease, and it is as delicious to the taste as a fresh orange.

Vinol does not upset the stomach like old fashioned cod liver oil and emulsions; its strengthening and healing properties are remarkable, and both doctors and patients are delighted with its action.

Many wonderful cures right here in Maysville have been effected by its use, and we ask all our customers to try Vinol on our guarantee to return money every time it fails to make rich, red blood, increase the appetite, cure stomach troubles, give strength and renewed vitality to the aged, run down, tired and debilitated, or cure chronic colds, hacking coughs or bronchitis.
